

PARKWAY REBATES

A COST EFFECTIVE APPROACH
TO CASH FOR GRASS

Every parkway transformed:

saves over 20,000 gallons of water annually
while advancing the behavioral shift towards
a drought tolerant landscaped community.

- ❖ Flat \$300 rebate
- ❖ Online application process
- ❖ Pre-approval based on photos
- ❖ Site visits upon completion
- ❖ Easy to implement and manage
- ❖ Small incentive in lieu of full scale rebate
- ❖ Focuses on most wasteful piece of grass
- ❖ Customer approved and appreciated!
